

Making an Infographic Artwork File

The final report for the International Cow of Mystery Inquiry takes the form of an infographic that is pinned to a world map along with the work of other New Zealand students.

To complete the infographic your students will need our free downloadable artwork file. This file contains a range of icons which your students can use to create infographics just like the sample ones.

International location: Old Woolman's House, Hastings Hill, Churchill, Oxfordshire

New Zealand location: 800 Doctor's Hill Road, Maungaturoto, Northland

HOW ARE WE CONNECTED TO EACH OTHER?

1 Location of granny's farm. The Farm was located at 800 Doctor's Hill Road, Maungaturoto, Northland.

2 Started her cheese career in Khandallah, Wellington where she has a delicatessen (sells this in 1985) called the Parson's Nose.

3 Co-founded Jeroboams Cheesemongers in 43 Portland Road, London (given the official royal warrant).

4 Established as one of the world authorities on cheese and writes a number of books on cheese including The World Cheese Book.

5 Juliet is on a mission to taste every cheese in the world. She created the Great British Cheese Festival and the British Cheese Awards.

18,180km

between Juliet's current home in the UK and her Granparents' farm in Maungaturoto.

25 years
9 months

The World Cheese Book took Juliet Harbutt 25 years to research and 9 months to write.

10% of NZ Dairy exports annually are cheese.

33%

In 2012, 905 cheese were entered in the Great British Cheese Awards but only 33% were awarded medals.

1997

Jeroboams was awarded a royal warrant in 1997.
