

Milking Game

Did you know there are different ways to milk a cow? All cows used to be milked by hand but now technology means we have more options.

Let your students compare three different ways of milking a cow (hand, machine and robotic) by having them play the milking game.

WELCOME

Hi, I'm Rosie. Welcome to Go Milking.

Did you know there are different ways to milk a cow? All cows used to be milked by hand, but now technology means we have more options.

You can try the different methods for yourself here. Click on the buttons on the left hand side of the screen to try hand milking, machine milking, and even robotic milking. Which one do you think is best? Have fun, and go milking!
