

# Our Farm Visit - Pass the Blog

Our tumblr works on a 'Pass the Blog' format. Classrooms that have used Rosie Education resources or accessed DairyNZ Farm Visit funding are able to load their stories, photos and writing about their experiences.

Take a look at other schools farm visits. Get ideas for your visit and see how to apply for the transport subsidy here.

### OUR FARM VISIT

Take a look at how other teachers have used the Visit a Farm funding to support classroom learning about dairy farming and the New Zealand dairy industry.
