

## Find a Farmer

DairyNZ would like to help you find a farmer to support your study of dairying. Fill in the form and we'll do our best to find a farmer who is happy to visit you in your classroom or be visited by your class.

Make sure you incorporate our Farm Safe planning kit (with resources for yourself, the farmer and your students) into your trip and don't forget to apply for our transport funding.

### Use our 'Find a Farmer' service

Need help finding a farm to visit? Perhaps you'd like a farmer to visit your classroom? DairyNZ provides a Find a Farmer service to help connect you with a local farmer that is happy to have school kids.

The service is entirely free and better still we have transport funding available if your class needs a little financial support to get to the farm.

Leave us your details below and we'll be in touch soon.
