

# Rosie's Cow Cam - Robotic Farming

TED-Ed

Think that Robotic milking is a thing of science fiction? Watch this video to learn about John Fisher's robotic milking shed and how to milk a cow with a robot.

Let's Begin...

Many people think that milking cows with robots is something you might see in the future. The truth is that in New Zealand there are whole farms that milk their cows using a robotic milking system. Watch this video to learn about John Fisher's robotic milking shed and how to milk a cow with a robot.
