

Rosie's World - From Grass to Glass

TED-Ed

Learn about scientific processes and the digestive structure of the cow. Take a look at Rosie's explanation of how a cow uses its 4 stomachs to transform fresh, green grass into super-nutritional milk.

Let's Begin...

Your teacher would like you to think about scientific processes and the digestive structure of the cow. Take a look at Rosie's explanation of how a cow uses its 4 stomachs to transform fresh, green grass into super-nutritional milk. Watch the video and complete the tasks in preparation for further learning in class.
