

MILKING SHEDS, CALF DAYS, DAIRY FACTORIES, MILKING EQUIPMENT, FAMILY FARMS, TANKER DRIVERS...

We are running a Historypin project and are gathering photos, videos, stories and memories.

We need photos and stories that can help tell the story of how our local community is connected to the dairy industry.

Do you have any old photos, videos or memories?

Do you know someone who does?

Take a look at the details below and help us build our online time capsule.
